Our 80th anniversary year has begun like no other. Distance Learning is not the standard we are accustomed to, but nonetheless, we welcomed the start of school with renewed enthusiasm in support of our Troubadours! We are stronger together, and we'll get through any challenges together.

SCHOOL YEAR PRAYER

Lord, open our eyes that we may see you in our brothers and sisters.

Lord, open our ears that we may hear the cries of the hungry, the cold, the frightened, the oppressed.

Lord, open our hearts that we may love each other as you love us.

Renew in us your spirit.
Lord, free us and make us one.

St. Francis of Assisi – Pray for us.
St. Clare of Assisi – Pray for us.

PRESIDENT'S MESSAGE

DEAR ST. FRANCIS COMMUNITY,

It's September, a little more than six months since that March 13th day when we took a time out to prepare for what became inevitable. We could no longer gather our students or community on our campus. We needed to pivot quickly and embrace what became a new and unwanted reality.

This COVID crisis has caused us all to pause and think about who and what is essential. At St. Francis, we know our students and community are essential. We know an education grounded in faith, excellence, leadership and service is essential. We know our mission to serve our young women and their families is essential.

We also know that you are essential to all that we do. This Statement of Community Support edition of our *Pax et Bonum* magazine highlights the love, loyalty and generosity of the greater St. Francis community which has enabled us to stay mission focused, pray together and for each other, pivot rapidly to instructor-led distance learning, creatively "gather" together remotely, and so much more.

While our entire student body experienced loss, we were cognizant of the many rights of passage our Class of 2020 was missing out on. As you will see from the pictures, our amazing faculty and staff creatively came up with ways to reimagine many events to honor our graduates in a way that fit within the confines of our COVID reality. The "Pearls" were an outstanding group of young women who proved themselves resilient, compassionate and kind. Enjoy some photos of the reimaged end of their St. Francis journey, their words of inspiration and encouragement to each other, and highlights of the recipients of the highest awards we give.

This is a milestone year for our community as we celebrate our 80-year legacy of educating women who change the world. While we had much planned, we will again pivot and find new ways to acknowledge and celebrate this special anniversary. Our 3rd annual SELFe Event will return on Sunday, October 25th, but we'll do it virtually and complimentary thanks to the support of our generous supporters and sponsors (see page 33).

We acknowledge and celebrate our 11,090 alumnae. In fact, we formalized our "Alumnae Way," installing plaques with the names of every graduate since our school's inception. You must come see. It is truly a testament to our legacy and our story, one that celebrates the deep connections that exist within our community. It's the story of all of us working together to form women who change the world.

While the 2020-21 year is not starting in the way we hoped, we remain committed, resilient and hopeful. What we do know is this: Education will continue. Community will continue. Mission will continue. We will not let the quality of education, community or mission diminish as we, together, navigate these times.

Thank you for the impact you have made on the lives of those who walked and those who are walking our campus each day. Through your generosity, the community of St. Francis continues its mission of empowering the next generation of women to go out and change the world. And that is certainly something to celebrate!

In the spirit of Pax et Bonum,

Theresa Rodgers

WELCOME TO OUR NEW BOARD MEMBERS

ST. FRANCIS IS BLESSED WITH AN AMAZING BOARD OF TRUSTEES AND ADDING NEW MEMBERS IS AN EXCELLENT WAY TO FURTHER OUR MISSION OF EDUCATING YOUNG WOMEN WHO CHANGE THE WORLD. WE ARE EXCITED TO ANNOUNCE THE ADDITION OF TWO NEW BOARD MEMBERS:

RENA DENIGRIS ZELLARS '95

Rena is a St. Francis graduate of the class of 1995 and earned a B.S. in Economics from Saint Mary's College in 1999. She has spent the majority of her career in management and is now owner of The (A) Lyst Group — a boutique talent acquisition firm specializing in helping founders of early stage venture backed companies and hyper growth companies retain talent and manage existing talent and human resources. Rena joined the Board of Trustees in 2020 with a desire to help guide and support those responsible for carrying out the mission of St. Francis in collaborative, creative, and constructive ways.

"I believe that leadership at every level is one of the most important pillars to success. In addition I believe that it is the duty of every leader to serve: to serve their organization, employees, customers, community, and ecosystem that they operate in."

TRISH ZIEGLER

Trish Ziegler, parent to alumna Helen '08, has been a liturgical salesperson for the past twelve years with F.C. Ziegler Co., visiting Catholic Churches all over the Sacramento diocese and beyond. She earned a B.S. in Plant Science from Washington State University and a master's degree in Plant Pathology from Iowa State University.

"Having attended Catholic Schools during my formative years, volunteering at our children's Catholic schools and also substitute teaching at Catholic schools for a few years, I feel that I have a solid knowledge of Catholic education. I look forward to navigating new waters that the challenging year 2020 has presented to our community and world."

St. Francis Catholic High School follows a Policy Governance model for its Board of Trustees. Often called the Carver model, Policy Governance focuses on the Board's strategic leadership in establishing the organization's purpose and goals. Within defined limits, the board entrusts the CEO to execute the mission and accomplish the goals, while ensuring accountability of the Board to the St. Francis community and of the CEO to the Board.

THANK YOU!

Two amazing Board Members have finished their terms this year, Pam DiTomasso '72 and Celia Puff. Pam served on the St. Francis Advisory Board for one year prior to her appointment to the Board of Trustees in 2014. Celia joined the Board of Trustees in 2017. Thank you for tirelessly giving your time and resources; we are grateful for your commitment to serving St. Francis Catholic High School!

BACCALAUREATE & COMMENCEMENT

Our graduates and their families gathered together on campus in celebration of the Commencement Ceremony and Baccalaureate Mass throughout the week of June 22, 2020.

VALEDICTORIAN

LAUREN KIM

Lauren Kim, a graduate of Brookfield School, was chosen as Valedictorian and tied for the highest grade point average in the class. She also earned 260 hours in community service, was a member of the Sac County Youth Commission, and volunteered with Latin Camp. Lauren received the plaque for Academic Achievement in Science & Math, and is a National Merit Finalist. She will be heading off to University of Pennsylvania to double major in Linguistics and International Relations.

The following is Lauren's valedictory address given at the Commencement Ceremony for the Class of 2020.

Thank you to Bishop Soto, Mrs. Rodgers, and Mr. Mendoza for their remarks, as well as everyone else who has worked so hard to make this online graduation a reality— from admin and faculty to parents and family guests.

I'd like to start by posing a fairly straightforward question: What choices does the average Troubie make each day? I know that sometimes my St. Francis experience has pushed me to make some pretty difficult decisions, like should I actually wash my hair today, or throw it up in a messy bun for the 4th time this week? Should I buy another cookie, or should I have pity on my crying cafeteria account and save up for next week's splurge? And, most importantly, am I going to help out at Homecoming decorations night? The correct – and only – answer is without a doubt, yes!

Choices: We all want them, we all have them, some of us feel entitled to them, and we always strongly resist when someone tries to take them away from us. For the 232 of us sitting here today, we have undergone almost two decades of choices. In kindergarten, our choices might have been something simple like, "Should I offer to share my stickers with my classmate, or keep them for myself?" In 8th grade, it might have been, "Do I forgo hanging out with my friends to finish an assignment or study for a test?" And now? Perhaps it was finding the courage and strength to have an uncomfortable conversation with a classmate, or to take the time to say hello to someone who may be sitting alone at lunch. As students at St. Francis, we have been called to make choices that affect not only ourselves, but the greater community as well.

We choose faith. We choose to have faith in God, and the path that He guides us on. We participate in Masses, we go on retreats, and we join Campus Ministry. We have faith in one another. We rally together during Homecoming Week, celebrate that the caf has burrito bowls, and have impromptu parking lot dance parties after school. We have faith in those that have helped us get to this moment— our parents, teachers, friends,

siblings, and mentors. Faith is the glue that holds our class and our school community together.

We choose excellence. When times get rough, Pearls don't mess. We aren't just satisfied with the status quo; we push our limits and redefine it. We aren't just students; we think, analyze, and discuss inside and outside the classroom. We aren't just athletes; we compete— and win! — with dedication and sportsmanship that are Troubie characteristics. We aren't just artists — we create works that critically analyze our world and call us to action. We choose to do what we do excellently not just out of a drive to be number one, but out of a genuine desire to see how far we can go — with excellence, poise, and passion.

We choose leadership. We choose to lead through our love and compassion as we create a loving community in communion with one another. We lead by example as we live our lives as servant leaders, leading by serving and giving back. We've seen the works of notable alumnae as they contribute to the world; I am confident that each and every one of us has the potential to be as impactful of a leader. The future is definitely female and the future contains many, many Troubies.

We choose service. Pearls live their lives with love; they wholeheartedly give back to those in need. We harness our God-given gifts to lead our communities from compassion into communion. Sure, we serve through our Christian service hour requirements, but the greatest impact we have is when we serve through the little actions and choices we make every day. Whether it's helping a friend with a difficult math problem or staying behind to make sure all the chairs are stacked after Mass, Pearls are always ready to serve and lead with love.

Whether you have started St. Francis since day one or joined the class somewhere along the line, it doesn't take much to realize that we have grown up so much; we have truly changed. We've moved from an age where the merit of our decisions was based on our innocence to today, where the merit of our choices is now

based on the assumption that we should know better. And we are moving quickly into the age where the expectation is that we do know better. This is a lot of responsibility, and frankly, I had a bit of a freak out after coming to this realization while writing this speech. But, I'm confident that every single one of us today has what it takes to face those ever increasing challenges and decisions that we will be faced with after high school and beyond.

One of my favorite singers, Dodie Clark, says, "Everyone is a collage of their favorite parts of other people." If that's the case, I can genuinely say that I've never been more proud to be shaped by the choices and experiences imparted on me by my St. Francis experience. We have had to choose between choices that bring us together as a class, and choices that could alienate ourselves from one another. In my experience, time and time again, our class has chosen the former. To be a Troubie is to be dedicated to harnessing compassion and creating communion — a community of sisters, friends, classmates, and personal cheerleaders.

For those of you that have gone on Kairos, we are called to "Choose to live the 4th" to carry out the mission of love and

sisterhood that culminates on the 4th day of the retreat. So, I call you all to choose to live the 1,460th of our St. Francis experience. This is it, Pearls— we're now about to step across a threshold where the choices we must make are infinitely more complex and infinitely more numerous.

As we move on to the next stage in our lives, whether it be attending college, starting our careers, or moving away from home, we will be called to make choices that have a significant impact on our lives. We've moved past the age where our most life-altering decisions would be whether to study for a test or share our art supplies. Now, we will be challenged to identify who we are as individuals, shaping our moral codes, our beliefs, and our identities. It is then that I am sure that our four years of making educated, mature choices at St. Francis will pay off. I know each and every single one of us is equipped with the tools that we need to continue to choose love and grace, compassion and communion, and faith, excellence, leadership, and service. So let's go out and teach the world that Pearls really don't mess. God bless and congratulations to the graduating class of 2020!

BACCALAUREATE ADDRESS

AUDREY REYES

Audrey Reyes, a graduate of Gold River Discovery Center, has been a Retreat team leader, Kairos 78 leader, member of the Track and Cross Country teams, and President of the Brain Bubble Club. She is loved by her peers and is kind, approachable, and gentle. Audrey will no doubt take these natural gifts with her as she studies Nursing at Sacramento State University.

The following is Audrey's address given at the Baccalaureate Mass for the Class of 2020.

Greetings and hello to Parents, Grandparents, Family, Faculty, Staff, Friends, and the Class of 2020. Thank you for joining us! I know, it's quite a switch from what we expected, but hey, it works well, so let's all go with it!

If you didn't know, my name is Audrey Reyes and I'd just like to say — it has been such a time. My 2016 self would be absolutely shocked with what's been happening...but here we are.

Every moment of the past four long yet short years has always led us towards being together — the way it should be. At the beginning, we started with Freshman Family Mass where we stood together, awkwardly learning the Hallelujah hand gestures. Now we have evolved into Hallelujah professionals and no Mass will ever be the same.

Baccalaureate is the first part of graduation, a Mass of Thanksgiving. By entering with our school symbols and showing off our chosen Baccalaureate symbols, we represent the crazy journey known as high school. Honestly, walking from the big red "X" to the front of the altar was a statement in itself.

Today we're here to celebrate the time we had at St. Francis and the gifts we've been given. These gifts are beyond the tangible items we've brought in. Throughout these years we've experienced the gifts of education, love, family, friendship...and of course, faith.

The past four years have been a big mix of highs and lows but throughout it all we were strengthened and guided by God — or a power greater than our own.

Throughout it all, we weren't alone. Of course, we are works in progress and ever-changing, but we definitely deserve some credit for what we've endured and experienced.

We kept our faith, trusted the process, and relied on those around us. Those people being our families, friends, the people here at St. Francis and, in some cases, we had to rely on ourselves. Well-done everyone. Super cheesy symbolic heart-warming stuff, but you get the point.

Let's remember ourselves in this moment, in the now — together because we only get this moment once. I can't wait to celebrate with you all again someday...

SALUTATORIAN

JASMINE LEE

Jasmine Lee, a graduate of St. Michael's Episcopal Day School, was chosen by her classmates to give the Salutatory address. During her time at St. Francis, she was a Big Sister, Camp Troubie leader, member of the basketball team, and Senior Class President. Jasmine is attending California Polytechnic State University, San Luis Obispo, studying wine and viticulture.

The following is Jasmine's salutatory address given at the Commencement Ceremony for the Class of 2020.

Good day to family, friends, faculty, staff, and especially the graduating Class of 2020. I want you all to take a deep breath, and look at the people around you. You're surrounded by your strongest supporters and advocates that want nothing more than your well being, success, and happiness. Each one of us has been on the same journey, but changed it in your own individual way. We began our story crossing the threshold of the St. Francis gates only four short years ago. The timid eyes of 232 freshmen embarked on a path that we didn't think would end. Our path has led us through some bumps in the road, but nothing ever broke our bond as a class. But as we move on into different walks of life, I want you all to take a step back once in a while and reflect on all the memories we have as Pearls.

As a freshman, I came into St. Francis with more confidence than I knew I should have. I walked the halls with perfect pleats in my skirt, an ironed red polo, and a brand new North Face backpack. My confidence took me straight into a Senior Philosophy classroom during A block on the first day of school. At that moment, I thought, "Wow, I've already made my first mistake in high school and I've barely been a student for thirty seconds." This is a time where we had to learn our way around campus with the help of our own Big Sisters. Freshman year is when we first saw the Class of 2017 say their farewells in Serra Court on the last day of school. They had been through so much together and life as a senior seemed like a lifetime away. Fast forward to Sophomore year. We are no longer the babies on campus. We blessed our class rings, learned how to drive, attended dances, and closed on what seemed like the fastest year of high school. Next stop is Junior year. Classes were getting harder. We jump-started plans for college, stressed over the SATs and ACTs, and finding the perfect prom dress seemed to take over our minds. This year taught us how to deal with a multitude of difficulties, but we never lost touch with how strong we could be together. That year we won first place

in Spirit during homecoming week, and not only did we have the most spirit, but we stayed positive even when we had to bid our 2019 sisters farewell. Finally, we entered into our Senior year. We watched the sun rise on our time to be the role models of the school. From leadership, to big sisters, to the retreat team, to theatre, dance, sports, kairos, and academic teams, we have all left our mark on this school. As the Wizarding World of Harry Potter during our final homecoming week, we let our true colors shine. With a class that "Don't Mess" around, Pearl pride was in full force and dominated every challenge we faced. We sang our hearts out to Say You Won't Let Go and saw the curtain close on one of the most memorable events at St. Francis. Over the past four years, we have laughed, cried, grown, and persevered as sisters, and even the biggest inconvenience couldn't tear us apart.

No one in the world would have thought that this would be the way the Class of 2020 would have to graduate. This was our year and our moment to shine, and COVID-19 decided to take that away from us. But, with a class like ours, nothing has ever been normal for us. We may not have gotten to go to our Ball, have our senior free dress, a real Honor Guard Mass, Baccalaureate Mass, or even Graduation at the Memorial Auditorium, but what we still do have is each other. We were all placed in the same class for a reason. We are an incredible group of girls and no other class would ever be able to handle this pandemic the way we are. It's unfair and terribly heart-breaking what the coronavirus has done to us and the world, but this setback only made us stronger and we will thrive. We are built up of many personalities, gifts, and talents, and the world needs what we have to offer. This class is full of so much charisma, laughter, and spontaneous energy that I couldn't wait to see what each day would bring. Like the indescribable way that Julia and Lillian Hayes laugh, or how Haley Silva is able to brighten anyone's day with just her smile. The way Monet Cook

has to duck into every door she enters or how Mia Fleming-Mullins can score 464 points in a single basketball season. The Class of 2020 is composed of such powerful and innovative women that nothing can change who we are. Here at St. Francis we don't just have friendships, we have a family. Friends are temporary, but family is forever. And from the first moment we stood together as a class in 2016, I can confidently say that I had found my second family, and it breaks my heart to say goodbye.

I have been able to stand in front of my Pearls, an exceptional group of women, and the sisters I never had, and say that I have never been prouder of us. We've had the privilege to grow up with each other and experience some of the best years of our lives. I've been able to sit on the gym floor and look up at a class that will forever hold a place in my heart. Thanks to the Class of 2020 I've been one of our leaders through Freshman, Sophomore, Junior, and Senior year. I'm thankful that you have given me the opportunity to be on council each year and to serve you. I'm going out into the next chapter of my life more prepared

than ever because of the love and gratitude you've all shown me over the past four years.

As we watch the sun set on our time at St. Francis, I want you all to remember one thing. Go be who you want to be. Don't let anyone take away that spark in your heart. The sisterhood we have is forever. The ideals, values, and lessons we have learned over the course of our four years have molded all the beautiful virtual faces watching me right now. The power our voices have proves that we are the women that the school, the country, and the world deserves. We have never been more seen than we are right now, and the strength behind that shows the depth, respect, and admiration of our characters. St. Francis High School is a school like no other. It is a place that has guided a group of young women that are about to go out and change the world.

So, never forget this moment with your family and friends, and know that your teachers, mentors, faculty, staff, and administration are all very proud of you. Congratulations, we made it this far, so go be you! Just know this world is our oyster, and we are all Pearls shining right through it. Thank you!

GRADUATES' PRAYER

OLIVIA WALBECK

Liv Walbeck, a graduate of St. Mel Catholic School, was the Student Body Ministry Coordinator. She was a Kairos 78 leader and member of the Blue Skirts. Liv is attending the University of Oklahoma studying Broadcast Journalism.

The following is Liv's prayer given at the Baccalaureate Mass for the Class of 2020.

"Heavenly Father, we thank You for gathering us today. With the uncertainty that has surrounded the last part of our senior year, we truly understand how blessed we are to be able to share in this celebration together. Over the course of our four years at St. Francis, You have given us so many gifts that we learned not to take for granted.

You have given us the gift of family. By guiding us to make the decision to attend St. Francis, we received the opportunity to work closely with an encouraging and passionate group of teachers, faculty members, and administrators. In addition, we are grateful to have grown beside our fellow classmates. By surrounding us with driven, spirited and resilient young women, You strengthened our social circles and filled them with women who would soon become our sisters for life. *We thank You.*

Lord, you have given us the gift of friendship. In addition to receiving 232 sisters, our relationships with our classmates did not stop there. As friends, we would laugh, sing, and dance in Serra Court. But more importantly, we would encourage one another through tough times, and celebrate together in good times. *We thank You.*

You have given us the gift of education. Our studies at St. Francis have not been easy, but with dedication and strength we have grown to flourish academically are prepared to take the world by storm in our future endeavors. *We thank You.*

As we begin to take flight, we pray that we never lose sight of the high standards held for us at St. Francis and continue to live faith, excellence, leadership and service.

Lord, remind us that our relationship with You is ongoing. Although, for many of us, our education in a Catholic school is coming to an end, this Graduation ceremony is not a symbol for the end of our relationship with You but rather just the beginning. May we continue to learn and continue to grow with Christ. In 2 Peter 3:18 we are encouraged to keep growing in Christ: 'But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever!'"

LEADING BY EXAMPLE

WE CAUGHT UP WITH THE 2019-2020 SBO TEAM WHO SHARED INSIGHTS FOR THEIR CURRENT TROUBIE SISTERS AND THE LEADERSHIP LESSONS THEY WILL TAKE WITH THEM ON THEIR JOURNEY.

St. Francis Catholic High School is blessed with young women who step up and into leadership positions. The Student Body Officers (SBOs) are the leaders, communicators, organizers, mobilizers, and most importantly, the visionaries for creating the student experience on and off campus. Working together with the Class Officers, they strive to promote unity among students and provide a variety of activities that enhance the development of St. Francis students that are consistent with the school's philosophy. Working under the leadership and guidance of Mrs. Cassy McGreevy, and supported by the entire St. Francis administration, faculty and staff, these student officers develop an understanding of servant leadership, ethical standards and community building.

GIGI BRIDA: PRESIDENT

Sacred Heart Parish School • New York University

"Leaders come from all different walks of life and you can be an unexpected leader. You just have to dig down and put yourself out there because you never know what could happen. For more than half of the SBOs, this is our first time on student council. I think we've been one of the most cohesive groups since our personalities knit together so well. Everyone has something to bring to the table. Through the St. Francis experience you definitely find that."

MONET COOK: VICE PRESIDENT

Sacramento Country Day School • Howard University

"My parting advice is to hold on to every moment. We didn't know our last day on campus was going to be our last day. There were so many more things that I wish I had taken advantage of and really appreciated, like Fun Fridays or dancing with my friends on the grass in Serra Court when I had the opportunity to."

ALEXA EDWARDS: SPIRIT COORDINATOR

St. Ignatius Parish School • University of the Pacific

"If you're doubting yourself, just do it! There's so many things that I look back on and I'm so happy with everything that I did during these four years, but there were some times where I was too embarrassed to dance. Just do it. Even if you make a mistake along the way, you learn from it. Give yourself the grace to make mistakes and learn life lessons along the way."

GABI PARISH: TREASURER

Our Lady of the Assumption School • University of Oregon, Clark Honors College

"My mom always says that you have to ride all the rides and I think that's really important. I remember being a freshman at the rallies in awe, looking at the SBOs just dancing in front of a thousand people. I thought, 'How do they have the confidence to get up there and dance and not be afraid?' You just have to try your hand at everything and don't be afraid to fail. Just try something new!"

CAMRYN SMITH: HISTORIAN

Homeschool • Grand Canyon University

"If you're comfortable for too long, you're not pushing yourself far enough. Going into St. Francis, I knew only two people and being an SBO was never on my radar. Junior year, I decided to run for class Historian even though I'd never been on student council before. It was out of my comfort zone, but I decided to try it out...and I loved it. My advice is to just push yourself because you can thrive."

PEYTON SPELLACY: SECRETARY

St. Michael's Episcopal Day School • Syracuse University

"I was so surprised to see that there was such a mass of teachers at the Pearl Pick-up Parade! It was special to see some of the teachers you don't get to see as often cheering you on. When Mr. Mendoza passed me my cap and gown, he said, 'Congratulations! We're so proud of you,' with so much intention. When I drove away, I had tears in my eyes. It's so insane how much St. Francis really showed they cared about us that day. It meant a lot!"

LIV WALBECK: MINISTRY COORDINATOR

St. Mel Catholic School • University of Oklahoma, Norman Campus

"I'm so grateful for Mrs. McGreevy being such a strong role model. She guided us through so much. Going to an all-girls school has been so empowering and having such strong leaders to help guide us has been just amazing. We're all so, so grateful for that."

CLARE ANN SQUIRES HAYES '55: LILLIAN '20, JULIA '20, MARIANNE '18

"It was a different graduation this year watching my twin granddaughters graduate in a beautiful 'online' ceremony. One thing that has not changed from my experience to theirs is the Franciscan spirit of love of God and humanity that permeates everything at St. Francis Catholic High School. I am grateful that my parents valued education and the ability to take care of oneself. I have enjoyed seeing St. Francis and today's Troubadours highlight women's expanding role in the world. Students seem to be more challenged these days.

My favorite memories that I have seen in my granddaughters' lives is the camaraderie of students in an environment that is encouraging and safe. My advice for these graduates is to keep your faith in God and remember what you learned at St. Francis. The pillars of faith, excellence, leadership and service are the foundation of a good life. Don't be afraid of the future."

RITA MAZZUCCHI BRIDA '57: GIGI '20

"St. Francis has been a big part of our family for a long time although I actually graduated from Bishop Armstrong during those years when 11th and 12th grade were there. Two sisters, three nieces and one granddaughter are all SFHS graduates. Having taught in public school, I really wanted my granddaughter to be in a faith-filled and nurturing environment.

Although the skirts got shorter, the academic rigor and college preparation stayed the same. The theology courses, retreats and Christian service opportunities provide the strong foundation for a faithful life. My advice to these graduates is to stay as close to the Lord and the Blessed Mother as you possibly can. Remember we were born to be saints and that is what we are headed towards."

"As it was for me, St. Francis was an amazing experience for Gabby. There was never a question she wasn't going to SFHS and it truly couldn't have been a better fit. Academically it pushed her and she was able to pursue the life work she wants to do. She particularly loved being a retreat leader through Campus Ministry. I was grateful we were able to share the Mother/Daughter retreat during her junior year.

Gabby blazed her own path at St. Francis and made life-long friends. Watching them all say goodbye as they headed off to colleges near and far was hard; however, I am confident that they will all do amazing things and I'm excited for their future. My advice for these young women, and all of our Troubies, is to embrace every moment. Focus on all that you do get to experience rather than what you might be missing out on during this time."

NORA BIUNDO SALAZAR '85: GEO '20

"The choice Giovanna made to attend St. Francis four years ago is exemplified as the right choice by the strong, independent, and confident young woman she is today. Both her spiritual and academic growth are a testament to what her Catholic education has provided her, and we are both grateful for the opportunity to attend St. Francis.

The highlight of her journey at St. Francis was experiencing her Kairos retreat. The bonds she made with good friends and inspiring teachers that took time to listen, understand, and provide encouragement will last her a lifetime. As Class of 2020, the Dr. Seuss quote that opened your freshman year and ended your senior year was, 'Oh, the Places You'll Go!' Remember life is certainly a huge adventure. It will be jammed packed with unexpected twists and turns, as you recently experienced. Be open minded, willing to try new things, and seize new opportunities as you will go far."

COLLEEN O'NEIL REILLY '78: ABAIGael '20, BOBBY '11, BRIANNE '09

"I graduated the last of my three daughters from St. Francis. All three selected the high school they wanted to attend, but I secretly believe they wanted to go where I went. It helped that so many of their friends also selected St. Francis.

Similar to my experience, they all made life-long friends and received a great education. I'm glad they brought back community lunch as it's wonderful for the girls to all be able to eat together. Much of the girls' experiences felt similar to mine; whenever you put a bunch of girls together, they can't help but create great memories."

We would like to include legacy families from all the Sacramento all-girls Catholic schools. If a member of your family attended Loretto, Bishop Manogue, Mercy, or Bishop Armstrong and you have a current student at St. Francis, please update alumnae@stfrancishs.org.

A CELEBRATION OF GIVING & GIVERS

DIRECTOR OF ADVANCEMENT
MARYANNE KELLY

TO OUR GENEROUS ST. FRANCIS COMMUNITY,

The 2019-20 year was significant for a lot of reasons. We had 232 Pearls experience a reimagined graduation and launch into the next chapter of their adult life (yes ladies, you are officially adulting). And just like the end of their year, this next chapter is filled with uncertainty and new challenges.

Through it all, what stays with me is how the entire St. Francis community came together — and still comes together — for each other. I'm reminded of something Henri Nouwen said, "Community is first of all a quality of the heart. It grows from the spiritual knowledge that we are alive not for ourselves but for one another."

As we compiled the information for this edition of the magazine, I see so much more than dollars and cents. I see stories. I see impact. I see love. I see connection. I see generosity. I see lives changed. I see a community that cares — a true community of heart. That is why we will forever more refer to our annual report as a *Statement of Community Support*.

This *Statement of Community Support* recognizes all of you — current and past parents, alumnae, students, faculty and staff (we have the most generous faculty and staff of any school), and our numerous friends and supporters — for your faithful partnership in advancing the mission of St. Francis Catholic High School. To really see the impact of your generosity, talk to a student or alumna. They are the living beneficiaries of your love and support and are forever changed because of it. And remember to thank a teacher; these dedicated individuals put it all on the line every day to educate our students in an environment of faith, excellence, leadership and service.

Through all of your investment in the many lives and ministries of St. Francis Catholic High School, we raised more than \$1,767,000 in what ended up being a challenging year. We also benefited from more than 20,700 hours of volunteerism, and that was before we had to close the school! Our community is truly alive for one another.

Thank you to all who gave of your time, talent and treasure to make the 2019-20 year a success. Your continued investment in St. Francis and our Troubadours provides the essential funds for tuition assistance, enriched academic programs, life changing faith experiences, top tier arts and athletic offerings, provision and upkeep of superior facilities, and other expenses not covered by tuition. If you are interested in donating as part of the 2020-21 year, please visit www.stfrancishs.org/mygift or contact me at 916-737-5033.

In gratitude for our St. Francis community,

FINANCIAL INFORMATION

St. Francis Catholic High School maintains a high level of fiscal responsibility and stewardship of its funds, which are monitored by the school administration, managed by the Finance and Business Office and governed through policies approved by the Board of Trustees.

The annual budgeting process is led by the Director of Finance, along with the Directors and Heads of each Department, with the support of the President and the Business Office. This process results in an annual budget that is approved by the Board of Trustees. The school is audited annually by an independent accounting firm.

With education costs continuing to increase each year, the St. Francis Annual Fund was established to offset the actual cost of a St. Francis education. Every tax-deductible gift to the St. Francis Fund helps cover the gap between what a family pays for tuition and the school's annual operating costs, making a difference in the lives of nearly 1,100 young women, each and every day.

Recognizing our desire to meet our current operating needs while building a secure and sustainable future, St. Francis is making strides in growing its endowment. Endowed giving allows donors the opportunity to support the students and programs of St. Francis Catholic High School in perpetuity. Earnings from our endowment primarily support the tuition assistance program, which welcomes hundreds of Troubadours and their families to experience the tradition of a St. Francis High School education.

Continuing to build on the success of our SELFe Events which have brought more than 1,600 women from the greater Sacramento region together, our third annual SELFe Event on Oct. 25th will virtually welcome Hollywood's favorite "Good Girl," Kerri Pomarolli.

A comedian, actress and author, Kerri, has headlined sold-out venues nationwide for more than 10 years. During these challenging times, women of all ages will be able to take a break, laugh a little, and be inspired to be their best SELF and live their best life.

ALUMNAE GIVING

A gift from an alumna models the culture of giving we are creating at St. Francis. It recognizes the life preparation she received and her desire to ensure our current and future Troubadours have the same opportunities. We are grateful to the alumna listed below and invite all graduates to consider an investment and legacy.

CURRENT PARENTS

We remain grateful to our current parents who actively support our mission. In addition to fulfilling their tuition obligation, the majority go above and beyond to provide the financial resources to help other students and enhance the overall St. Francis experience. We appreciate their generosity and thank them for their greatest gift to St. Francis...their daughters.

PARENTS OF ALUMNAE

The continuing commitment made to St. Francis each year by the families of our alumnae is greatly appreciated. This past year the school was the beneficiary of support from both parents of recent graduates, as well as from families whose association with St. Francis began decades ago. Thank you for helping St. Francis maintain our pillars of faith, excellence, leadership, and service.
