1. Which college will you be attending?
2. What is your favorite class at St. Francis?
3. What will you miss the most about SFHS?
4. After graduation, to what are you most looking forward?
5. Is there anyone you would like to thank for helping you make the most of your time at SFHS? (faculty/staff, friends, family, etc.)

All photos are courtesy of SF students!

same size of Saint Francis, so I am excited to make meaningful connections like I have here.

5. I would like to thank all my teachers for making Saint Francis an enjoyable experience the past few years. My mom has always said I've had good luck when it comes to teachers, and I don't think it could ring truer given my time here at this school. Each teacher offered unique insights and really supported and pushed me to be the best person I can be. I'd also like to thank all the friends I have met along the way. There are so many of you that truly made a positive impact in my life and I don't think I would be the same without you. Whether it be in class conversations, a quick hello in the hallway, or helping me as I struggle through a math problem, I always found those connections meaningful, and I thank everyone dearly.
