

THE EPICUREAN GROUP

Vision

To be recognized as the premier provider of quality and natural food, prepared and presented with meticulous skills to the exacting standards.

Mission

To be a leading company of select individuals whose philosophy and values are rooted in delivering an exceptional sustainable dining experience.

Values

To provide the highest quality food and food services.

Recruit, retain, and reward a diverse employee and management base that is committed to excellence and the mission of the Epicurean Group.

Encourage and support teamwork to complete every task.

Promote high achievement through advanced education and mentoring.

Maintain a safe work environment.

Create an atmosphere that encourages all employees to take responsibility, make positive changes, and share new ideas understanding that failure is part of the learning and growing cycle.

Foster a culture that nurtures innovation and shared ownership in all phases of service.

Prepare food in an environmentally responsible manner.

Create an open, welcoming community of students, faculty, and staff that exceeds expectations.
