Keeping Contact Information Current

It is essential that St. Francis has at least one email address per household that is valid and checked regularly. Please notify the school if your email address changes or if you are not receiving St. Francis messages - by sending updates to www.stfrancishs.org/infoupdate.

Web-based Programs for Academic Information and College Planning

The parent login portals for Haiku, NetClassroom and Naviance can be found on the "Parents" section of the St. Francis website under [Stay Connected](#).

Haiku

Haiku Learning Management System (LMS) is use by teachers to post classroom information and grades. Parent logins for Haiku are set up with the username being the parent's last name followed by the first three letters of the parent's first name. Example: Mary Smith = SmithMar (case sensitive). The original password is the 7-digit home number or cell number, including hyphen. Example: 737-1234. Login questions should be directed to registrar@stfrancishs.org.

NetClassroom

NetClassroom is used to view quarter/semester report cards, attendance, and conduct. The original login name is the same as Haiku. Login questions should be directed to registrar@stfrancishs.org.

Naviance

Naviance Family Connection is a Guidance Department resource to help students and parents in the college selection and application process, select colleges, seek scholarship information and research careers. Student course requests are also entered in Naviance each spring. Parents use their daughter's login, then create their own accounts. Questions about Naviance should be directed to Sunny Rivera, Assistant to the Guidance Department, at srivera@stfrancishs.org or 737-5091.

Cafeteria PINs

PINs are based on student ID numbers. PINs are printed on the enclosed schedule and also available on Netclassroom and Naviance accounts. The Cafeteria PIN is the five digit number created by the last two digits of a student's class year and the last three digits of her ID, e.g. if the student ID is 2018-876, her cafeteria PIN is 18876.

Student cafeteria PINs are used during transactions to debit student cafeteria accounts. Parents are encouraged to pay online using mySchoolBucks.com. Parents may also pay by check, and checks can be placed in the Cafeteria mailbox in the main office. Checks are to include student name and PIN and made payable to SFHS.

Serra Court Cafe will **NOT** accept cash for any food or beverage purchases starting in the Fall Semester. All students will have to utilize their pin account. No exceptions. By moving to a cash free process we hope to shorten wait time in the lunch line.
