Dr. and Mrs. Russell Niles

Honor the stars in your life in the St. Francis Arts Complex. This dynamic complex features seven classrooms for drawing, painting, sculpture, dance, drama, choir, and orchestra; a beautiful lobby gallery; and a 500-seat, state-of-the-art theatre. This facility develops and showcases the talents of the young women of St. Francis High School. The Arts at St. Francis are shining stars in the Sacramento community!

By honoring your daughter or other loved ones, your dedication will become a permanent tribute. A tax-deductible gift of \$500 to St. Francis High School for the care and maintenance of the Fine & Performing Arts Center allows you to have a name (or names) engraved on a brass star plaque affixed to the back of a theatre seat. This is an opportunity to leave a lasting legacy for future generations. Choices are offered for placement of stars based on availability.
