FOR IMMEDIATE RELEASE

**CIF AND SAC-JOQUIN SECTION ANNOUNCE MODIFIED SPORT SEASON CALENDARS
IN RESPONSE TO PANDEMIC**

July 20, 2020

SACRAMENTO, CALIF.- The California Interscholastic Federation (CIF) and the Sac-Joaquin Section have announced modified dates for competitive sports seasons in response to public health restrictions related to the COVID-19 pandemic. St. Francis Athletics will begin the work to revise the various schedules for our respective sport programs accordingly. Details related to tryout dates, schedules, potential off-season workout dates, etc., will be released over the coming weeks.

Major changes to the competitive calendars include the standard three seasons (Fall, Winter, Spring), being reduced to two seasons (Season 1, Season 2), beginning in late December and running through June. All sport seasons will be included within either Season 1 or Season 2 and lead to section and if applicable regional/state championships. All events are subject to ongoing directives from state and county public health officials.

For more details, please see the following releases from the CIF and Sac-Joaquin Section:
