

School Supply Drive

August 15-26, 2016

St. Francis Catholic High School traditionally holds a charity supply drive to help needy students start off the school year right. This year's drive benefits Next Move and Mustard Seed School, organizations that support homeless students through classroom education and support services as their families move toward more stable and self-reliant environments. Please drop off all donations in the CLC. Thank you!

Requested Items for Next Move:
