

Dear Class of 2022 Troubie Parents:

Welcome to St. Francis! We hope you and your daughters have settled into the high school routine and are taking advantage of all Troubie life has to offer. As new parents to St. Francis ourselves, we, too, experience the steep learning curve of a block schedule, volunteer opportunities and the carpool line! Fortunately, the administration wants to support us in every step of the way.

One vehicle through which they do that is the Parents' Guild. As St. Francis parents, you are automatically members of the guild, which provides support for many events during the year. We serve as your Class of 2022 representatives and will – for the next four years – be your resources for happenings at the school. From the upcoming St. Francis Community Celebration, Thankful Thursday and Homecoming to next year's Crab Feed, SWAP Day, MOM Prom and Revelry Gala, we are here to help guide you through the many events and activities offered for Troubie parents.

Please reach out to us when and if you have any questions. If we don't have the answers, we will get them for you. And if you'd like to join the conversation, all Troubie parents are welcome to attend the Parents' Guild monthly board meetings, usually held on the second Tuesday of the month at 8:15 a.m.

An exciting four years awaits us and the Class of Winnie of the Pooh. We look forward to getting to know each of you better and watching our daughters grow in faith, excellence, leadership and service and become women who change the world!
