Step 1: Download app.

Step 2: Click sign up here

Please download and install 1 week prior to start of school so we can solve any app issues prior to arriving.

Verizon 9:25 AM

Sign up for Your Account

First name | Jane **Student's name**

Last Name | Smith

Email Address | janesmith@gmail.com

Password | **Can be parent or student email**

Confirm Password |

Group Code | SFHS2020 **Put in school code** **APPLY**

Step 3: Put Student's name In the spaces provided. Please dont put parent's name here it makes it very hard to locate COVID swabs labelled with another name.

Step 4: Email can be student email or parents. Used for re-setting password if needed.

Step 5: Enter SFHS2020 this is the cohort for St. Francis. Allows allow student data from St. Francis to be together on server.

Step 6: Please use the number associated with the phone the student will be using.

*Always give the number on the app profile to the individual performing test to correlate results into app. Please do not give different number on app to people collecting swab.

Phone Number

  +1 add your phone number

Photo

Same phone number that you give when getting tested

Take a selfie that will match your photo in a government issued ID

Tech Support:

If you have issues with installation or the app please contact tech support at:

support@immunify.app

When you get to school click bottom right corner to share your risk status.

This will prompt the symptom tracker questions and the high risk exposure questions.

Reintegrate responsibly.

Click here to share your status. This will prompt the symptom tracker

In the past 10 days, have you had any of the following symptoms?

Cough/Shortness of breath

Runny Nose / Congestion

Fever > 100 °F

Chills / Dizziness / Fatigue

Headache / Body Aches

Loss of Taste or Smell

Nausea / Vomiting / Diarrhea

No Symptoms*

I have had no symptoms

NEXT

Please answer these questions truthfully and thoughtfully. The more honest the user is the safer the environment the app can create.

ONLY ANSWER YES TO THESE QUESTIONS IF THESE ARE NEW SYMPTOMS AND LIKELY INFECTIOUS. If you worked out with the basketball team and have body aches the next day then dont click yes. If you have a runny nose because you have seasonal allergies all the time then dont click yes.

IF you have NEW infectious like symptoms in the past 10 days then click yes.

If you click yes your status will turn red despite a negative test result recently.
