

## Natomas Cares!

Natomas is a caring community and supports thousands of people each year with food and other aid. There are over 720 million people in the world who are severely undernourished. They simply do not have access to nutritious food. Together we can make a significant impact by providing lifesaving nutrition today and programs to build a better tomorrow.

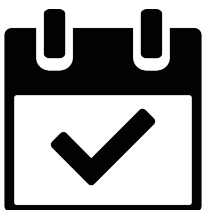

Help us raise the funds for 30,000 nutritious meals (\$10,500) then come and pack the meals at our Natomas Warehouse Facility.

Individuals or groups can come and together we can help transform communities in developing countries.

Did you know 1 box of nutritious meals will support a child in a school feeding program for an entire school year? 1 Box of nutritious meals is a \$75.00 donation! Be generous and make a donation of any amount now, then come and pack the meals together in our community.

If you are not available to participate April 2nd please support this effort with a generous donation. All donations are tax deductible. You must register, limited slots available, ages 6 and up.
