This club is perfect for those with a love for the visual arts! You don't have to be apart of any art class to join! You can join if you have a passion for it, or if you just want to heighten your creativity!

Most of our main work done are art projects for St. Francis such as the mascot banners, yearly theme posters (seen on the right), as well as putting up the art shows.

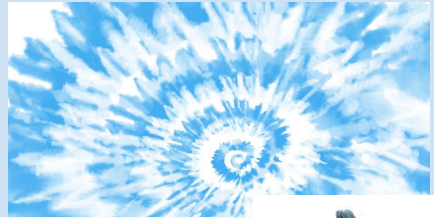

**The first meeting is on
September 25 at 3 pm!**

We will be doing:

- One word art prompts!
- Mini Art Contests
- Exploring new and interesting art mediums!
- Plus any suggestions :)

DIY Club

The DIY Club is a club for girls to express their art and crafting abilities through fun projects. Once a month, we meet to do a craft while listening music. These meetings are always fun and we are excited to continue this club into next year and provide more DIY crafts and art projects for girls to destress during lunch.

During our time at St. Francis, we have discovered that the meaning of sisterhood means family and togetherness. Glee Club will be a place where anyone can come and pursue their passion for song and/or dance free from judgment. There is a place for everyone in this club and no one will be turned away, even if they aren't an experienced singer or dancer. This club will give opportunities to those who want to do something for fun! It will be a place to allow every voice to be heard and listen to the song within every heart.
