THE SCHOOL: St. Francis Catholic High School, established in 1940, is a four-year, all-female college preparatory high school. It is the only Catholic high school in Sacramento affiliated with the Diocese of Sacramento and serves young women hailing from more than one hundred private and public feeder schools in the California counties of Sacramento, Yolo, El Dorado, Placer, Yuba and Solano.

MISSION STATEMENT: St. Francis Catholic High School is a diocesan college preparatory school dedicated to serving young women and their families who seek a community of faith, excellence, leadership, and service, grounded in the teachings of Jesus Christ. In the spirit and charism of Saints Francis and Clare of Assisi, we form students who share their gifts and talents as models of Pax et Bonum.

ACCREDITATION: St. Francis is fully accredited by the Western Catholic Education Association (WCEA) and the Western Association of Schools and Colleges (WASC).

DISTANCE LEARNING: Thursday, March 13th was the last day of in-person instruction at St. Francis High School for the 2019-2020 school year. By Wednesday, March 18th our teachers had successfully transitioned to distance learning, with only a three-day break in instruction. We provided a daily synchronous learning environment that modeled our traditional school schedule. Each year, our students are issued a Chromebook, therefore each student had the necessary tools to successfully navigate our new distance learning platform. For this reason, it was determined that our students would receive letter grades for the second semester of the school year. Their grades were earned based on their performance, not simply given for attendance. We have full confidence in both the content that was delivered as well as the grades that were earned. Please keep this in mind as you evaluate academic records for the Class of 2021.
