Access to Student Schedule

You can view your schedule by logging into [PowerSchool Parent/Student Portal](#). Students who identify an error in their schedule (i.e. a missing course), should contact the Guidance Department at Guidance@stfrancishs.org.

Purchase Textbooks for Summer Reading and the Fall Semester

Students are responsible for securing their textbooks prior to the first day of school and completing their summer reading assignments. Students were emailed a listing of all the books and ISBNs for 2020-2021 which they can access through their Google Drive or on the [St. Francis website](#). Be sure to reference the course name when searching for books on the [St. Francis Catholic High School BNC Online Bookstore](#). While students are not required to purchase books through BNC, the ISBN purchased must match exactly. We do encourage parents to shop around for the best price. Unfortunately, due to publisher restrictions, some books/ebooks may only be purchased through BNC. BNC is offering free shipping on orders over \$99, July 13-19th.

Uniform Information

Keeping Contact Information Current

Web-based Programs for Academic Information and College Planning

The parent login portals for PowerSchool Parent/Student Portal and Naviance can be found in the "Parents" section of the [St. Francis website](http://St.Francis website). PowerSchool Parent /Student Portal allows students and parents to track attendance, view term grades, access their schedule, and unofficial transcripts. Naviance Family Connection is a Guidance Department resource to help students and parents in the college selection and application process, select colleges, seek scholarship information, and research careers. We recommend parents use their daughter's login for Naviance. Questions about PowerSchool should be directed to Sarah Cornell, at registrar@stfrancishs.org, and Naviance questions should be directed to Sunny Rivera, Assistant to the Guidance Department, at srivera@stfrancishs.org.

Naviance for College Planning

Naviance Family Connection is a Guidance Department resource to help students and parents in the college selection and application process, select colleges, seek scholarship information, and research careers. We recommend parents use their daughter's login for Naviance. Questions about Naviance should be directed to Sunny Rivera, Assistant to the Guidance Department, at srivera@stfrancishs.org.

Cafeteria PINs

PINs are based on student ID numbers. **Student ID numbers can be found in the [Student/Parent Portal](#) and on Student Schedules.** The Cafeteria PIN is the five digit number created by the last two digits of a student's class year and the last three digits of her ID, e.g. if the student ID is 2019456, her cafeteria PIN is 19456.

Student cafeteria PINs are used during transactions to debit student cafeteria accounts. Parents are encouraged to pay online using [mySchoolBucks®](#). Parents may also pay by check, and checks can be placed in the Cafeteria mailbox in the main office. Checks are to include student name and PIN and made payable to St. Francis High School.

Serra Court Cafe does NOT accept cash for any food or beverage purchases. All students will have to utilize their PIN account. No exceptions. A cash-free process shortens the wait time in the lunch line.
