Gym

Session 1

9:00 –9:40

College Search

Geared for Freshman and Sophomores - this presentation will get you started on your journey. We hope to broaden your horizons to find your fit.

Out-of-State Public Universities

This presentation will cover an overview of various out-of-state public universities: admission requirements, application process, and scholarship opportunities. During the discussion, attendees will have the opportunity to meet representatives from several colleges and universities and to ask questions.

How to be a Collegiate Student-Athlete

An overview and understanding of the basics to successfully navigate the landscape of eligibility rules, recruiting, scholarships, etc..

Session 2

10:00-10:40

Private Colleges

An overview of private colleges and their application and admissions process.

Admission Outcomes:

The SF College Advisors will give an overview and real examples of all outcomes that are possible once your student applies to college. What is a wait list? Is it true that my offer of admission can be rescinded? I was denied – can I appeal? Answers to these tough questions and more will be

The College Essay

What are colleges looking for in the college essay? This workshop will cover how to brainstorm ideas, what to include in an essay, and what to avoid.

Session 3

11:00-11:40

**Admission Strategies for
Top Tier Colleges**

This presentation will focus on how college admissions has changed over time, and what selective colleges are looking for in their applicants.

You Can Afford College!

We will unveil the variable and fixed college costs, provide links to develop your individualized needs, and preview the cost savings of attending community college.

ACT/SAT Test

This presentation will provide an overview of the elements of the ACT and SAT, their importance and impact, a timeline for testing, and an opportunity to clarify whether or not the Subject Tests are right for you.
